

# Show/Hide Sewing

## Objective

Hide or show unnecessary sewing segments according to user preference when they become entangled.

## Location

### Selected Sewing

- 2D Toolbar Edit Sewing Tool Pop-Up Menu (Right Click Sewing) Hide Sewing (Selected)
- Object Browser Scene Pop-Up Menu (Right Click Sewing Name) Hide Sewing (Selected)
- 2D Toolbar Edit Sewing Tool Property Editor (Click Sewing) Show On/Off  (Checkbox)

### All Sewing

- 2D Toolbar Show 2D Sewing Tool
- 2D Toolbar Edit Sewing Tool Pop-Up Menu (Right Click Sewing) Show Sewing (All)
- Object Browser Scene Pop-Up Menu (Right Click Sewing Name) Show Sewing (All)

## Operation

1. Find and click the menu indicated in **Location** over the corresponding object. The corresponding sewing segments will be hidden or shown on the 2D Pattern Window and the 3D Garment Window.
